TODAY'S THOUGHT

“If ye have faith as a grain of mustard seed,” said Jesus, “ye shall say unto this mountain, Remove hence to yonder place; and it shall remove.” Though the grain of mustard seed is so small, it contains that same mysterious life principle which produces growth in the loftiest tree. When the mustard seed is cast into the ground, the tiny germ lays hold of every element that God has provided for its nutriment, and it speedily develops a sturdy growth. If you have faith like this, you will lay hold upon God's word, and upon all the helpful agencies He has appointed. Thus your faith will strengthen, and will bring to your aid the power of heaven. The obstacles that are piled by Satan across your path, though apparently as insurmountable as the eternal hills, shall disappear before the demand of faith. “Nothing shall be impossible unto you.”
