TODAY’S THOUGHT

The Lord Jesus is very near to those who thus appreciate His gracious gifts, tracing all their good things back to the benevolent, loving, care-taking God, and recognizing Him as the great Fountain of all comfort and consolation, the inexhaustible Source of grace. If we would give more expression to our faith, rejoice more in the blessings that we know we have,—the great mercy and love of God,—we should have more faith and greater joy. No tongue can express, no finite mind can conceive, the blessing that results from appreciating the goodness and love of God. Even on earth we may have joy as a wellspring, never failing, because fed by the streams that flow from the throne of God.
